

## **JayLaw Enterprises Inc. CAPABILITIES STATEMENT**

### **Company Overview**

JayLaw Enterprises, Inc. is a woman-owned painting, coatings, and construction-management service provider delivering high-quality residential and commercial solutions throughout the Chicagoland region. Founded and led by April Estell Bullock-Flowers—who brings more than 11 years of experience in construction management and the coatings industry—JayLaw combines over 40 years of team expertise to provide exceptional workmanship, operational excellence, and customer-centered project delivery.

We pride ourselves on completing every project with precision, professionalism, and a commitment to superior results.

### **Core Competencies**

#### **Construction Management & Consulting (NAICS 541611)**

- Project coordination and planning
- Specification and scope review
- Cost moderation and operational oversight
- Quality control, final inspections, and customer follow-up
